

K-LOVE (heard in my area at 90.9, 88.9 and 91.1) is a wonderful, family-safe radio station. I have never had to worry about my 10-year-old girl or 13-year-old boy hearing objectionable programming, profanity, sexual innuendo, offensive advertising, or inappropriate music when listening to K-LOVE. Should K-LOVE be displaced by an LPFM broadcaster, my radio will be turned off permanently. K-LOVE is the ONLY station I listen to in my area. My home radios, as well as my car radio are programmed ONLY to K-LOVE. Clean, encouraging, family atmosphere radio is lacking, and K-LOVE definitely fits this need. With all the trash broadcast on radio, please keep at least one clean station on the air to appeal to those of us who dislike and refuse to listen to the other choices!

K-LOVE has made a difference to me in trying to raise children with morals and values as taught by Jesus in the Bible. K-LOVE's mission and programming goes a long way to encouraging me, as well as other parents, who wish to do the same thing.

Please take into consideration the impact K-LOVE currently has on this nation's people and the media industry in general!
